

More information

Driven by a lifetime of research for my own personal eczema and allergies, my knowledge in this field goes beyond text books.

As a therapist, my interest for helping you with your problems is not limited to these symptoms. My knowledge is wider than many therapists as it is backed by over 40 years of professional experience.

Established in 1984 Jill Yvette's is very much about specialist holistic methods, treatments and products for answers to your problems. The emergence of Covid 19 has created new problems, sensitivities, and symptom combinations in clients. I wish to reassure you I am Covid and 'Asymptomatic Covid' aware and will adjust all treatments to make sure you are both safe and comfortable at all times - sometimes recommending patch tests.

Make a wish...
Relax, de-stress and repair your Skin,
Muscle-aches, Energy and Confidence

My passion to help clients led me to create my unique therapy 'I wish...' (R) The Wellbeing Facial Therapy - from decades of client feedback. It helps clients with all skin difficulties, e.g. spots, lines, acne, dryness, menopause. Plus stress, exhaustion, neck-aches, etc. Granting time out, inspiration, energy, confidence and to look good no matter what life throws at you. The bespoke powerful indulgent therapy allows me to offer support and guidance from day one. Using unique techniques, blending at least 5 differing therapies at any point, e.g. specialist beauty therapy, skincare, aromatherapy, Reiki, reflexology, Indian head massage etc. 'I wish...' takes a 360 degree view of you and your lifestyle. We begin by treating your skin, mind and body as one for astounding results.

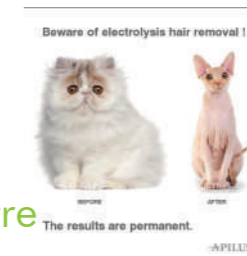

Consultation 1 hour £55
This is essential to give you the results you desire, and possibly a new understanding and knowledge. Expert DIY tips and a progress recommendation booklet to keep. Whether you have skin problems, mental, physical or emotional stress - you will also notice an improved confidence, happiness, calmness, self-image, energy and focus. We sometimes use this consultation for other therapies too.

'I wish... The Wellbeing Facial Therapy 2 hours £165
More than just a 2 hour relaxing facial. It focuses 80% from the shoulders up, but then works through comforting blankets down the body to the feet. A nourishing facemask is applied giving your body time to assimilate all the therapies and self heal. Your mind finally comes to rest. You decide on the focus of the day - skin, neck & shoulder aches, stress, energy, confidence, wellbeing or something else!
